Eastern Museum of Motor Racing

Honor Lynn Paxton's Lasting Legacy

Lynn Paxton spearheaded the efforts of the Eastern Museum of Motor Racing for over four decades. Thanks to his vision, EMMR was established as a Pennsylvania Nonprofit Corporation, 501(c)(3) tax-exempt entity. Lynn's commitment to public history will continue through the Museum and its educational mission.

In memory of Lynn Paxton and his generational impact on motorsports, EMMR has created a special fund in his name.

Secure the Future of Your Museum

When you donate to the Lynn Paxton Memorial Fund, you give a gift with both immediate and long-term benefits to EMMR. Our goal is to build EMMR's Endowment Fund, which is one of the most effective ways to provide a stable financial future for the Museum.

Now is the time to honor Lynn Paxton, while celebrating your own tireless contributions to automobile racing. Help us ensure that EMMR continues to educate and inspire visitors for years to come. Consider joining the Museum's Circle of Champions with your gift of \$5,000 or more.
